

CBK STRIDE™ — Enterprise Digital Pass & Governance Platform

The Zero-Capex Platform for Corporate AGMs, Shareholder Democracy & Multi-Sport Telemetry

STRIDE™ replaces chaotic physical registers, credential forgery, and ballot tampering with bank-grade cryptographic digital passes, real-time quorum telemetry, and strict adherence to the **Kenya Data Protection Act 2019 (ODPC § 25)**. Built on cloud-native PostgreSQL and deployed on Streamlit Cloud, it requires zero capital expenditure (Zero Capex) and zero on-premise hardware.

• Statutory AGM & Quorum SASRA floor compliance, share-weighted voting power, proxy audits, and instant returning officer gazettement.	• Kenya DPA 2019 Privacy Default public shielding of delegate contact data (072* *** *56). 2FA Secretariat passkey reveal with 15-min auto-relock.
• Zero-Capex Serverless AWS Frankfurt PostgreSQL persistence. Instant onboarding in < 5 mins. Door ushers scan via standard phone cameras.	• Multi-Sport Telemetry 18-discipline sports management (Golf, Football, Chess, Athletics). Instant captain roll call & allowance audits.
